WORKING PLACE

Director of the *Center for Providing Services in the Community Healthy City Poreč-Parenzo*

CALLING

Psychologist, psychotherapist (ECP)

WORK EXPERIENCE

1.4.2017. – until today

Center for Providing Services in the Community Healthy City Poreč-Parenzo

M. Gioseffi 4, p.p. 118, Poreč, 52440

Director of the institution, head of the psychological counseling center

The Healthy city organization of Poreč has changed legal forma because of the changes in the legal regulations of the Republic of Croatia. It became a social welfare institution on 1. 04. 2017. and a legal successor of the first local organization Fund Healthy City of Poreč . As a director and coordinator manager of the first organization I become director of the new social institution.

2009. – 2016.

I worked as deputy mayor of the City of Poreč-Parenzo as politically unopened expert, as volunteer, with the aim of improving social programs and community health program in City of Poreč-Parenzo

1.3.1998. – 31.3.2017.

Fund Healthy City of Poreč,

M. Gioseffi 4, p.p. 118, Poreč, 52440

As coordinator manager of the organization Fund Healthy City of Poreč I managed the implementation and organization of the Healthy City project of World Health Organization (WHO) for Poreč. Within the project Healthy City of Poreč I head a local program for mental health protection and the City psychological counseling center. I worked on projects of applying the methodology of scientific research in the examination of health and social needs in the community.

Vodila sam projekte primjene metodologije znanstvenih istraživanja pri ispitivanju zdravstvenih i socijalnih potreba u zajednici, radila s širim timom za zdravlje Grada Poreča-Parenzo na identifikaciji ključnih problema zajednice i rizičnih faktora te na odabiru prioriteta za zdravlje u zajednici. I led the team in making the Health Plan of the City of Poreč, the Family Policy of the City of Poreč. I participated in the elaboration of all the strategic documents of the City of Poreč-Parenzo in the segment of the impact on health (Poreč Strategy of active aging, Economic strategy of Poreč, Strategy for young people in the city of Poreč etc.) and in drafting all other local strategic documents in the field of health protection.

All these years I have been doing also my job of psychologist / psychotherapist at the Poreč counseling center. I educated young volunteers, empowered people with disabilities, prepared young couples for giving birth and getting a baby, I conducted group work forms etc.

Through the media I worked on the affirmation of the psychological profession in the life of the community and on continuous development of the Healthy City project of Poreč locally and in national contexts.

COMMUNICATION SKILLS

I have very good communication skills. I use them daily in my work because I communicate more with clients and associates, I also need them for managing our institution.

ORGANIZATIONAL AND MANAGEMENT SKILLS

I have the organizational and management knowledge and skills which help me in managing the both organizations - Fund Healthy City of Poreč and Center for Providing Services in the Community Healthy City Poreč-Parenzo. These skills make me an advantage in various projects which I have been leading and which I lead until today (education of young volunteers, managing partner groups, cooperation with the city authorities etc.).

BUSINESS SKILLS

I gained extra business skills in SOKNO education that focuses on quality management in nonprofit organizations.

Category B

ADDITIONAL INFORMATION

ACKNOWLEDGMENTS
AND AWARDS

2008. The project Healthy City of Poreč, was proclaimed the most successful project in Croatia in the assessment of Croatia's Healthy Cities Network and we received the lowest title of champions of the Croatian Healthy Cities Network. We got the tile "Healthy City of Poreč winner of the Croatian Healthy Cities League" which is located until today on the main administration building of the City of Poreč.
2009. Healthy City of Poreč and coordinator received honorary prize of City of Poreč named "30. April " which is awarded for special merit and the largest contributor to the development and promotion of the town of Poreč at the local, national and international level.
2017. Our institution, that develops the core project of Healthy City, was named the project manager of the Istrian County project aimed at improving mental health and improving the work of the Istrian counseling center. I am personally the leader of this regional project.
2018. I have been appointed National Coordinator of the Croatian Healthy Cities Network because of the commitment to develop the local Healthy City project and long-term work in the Croatian network.

AREAS OF SPECIAL INTERESTS

Providing support to people with disabilities and young people and animal welfare:

- In 1998. I encourage the establishment of the first Society of disabled Poreč and I hold the role of volunteer president in the period of 8 years with aim to empowerment the Society, I am volunteer until today;
- working with youth groups and encouraging volunteering of young people in community especially in relation to vulnerable groups like older people, disabled people, ill persons etc., (1998. - until today);
- Athletic Club Maximvs Poreč, performing the role of volunteer president four years, volunteer until today;
- I am animals and nature fun and I encourage community programs in the field of ecology and health for years. In our community we realize programs of healthy coexistence of people, plants and animals. We are working on the control of invasive allergenic species in our area. We also apply the law on the protection of wild animals and pets, we especially promote human and loving attitude towards pets. I was personally involved in the Poreč program for the abandoned animals and I was working with my team on the idea and on construction of animal shelters (for dogs and cats in period 2012.-2017.). Poreč shelters for animals are one of the best examples at the state level.

AUTHORING PROGRAMS

I am the author of the Poreč psychological-medical program of Preparing pregnant women and future dads for giving birth.
Co-author of the program The young volunteers of the Healthy city of Poreč which is presented at national and wider level.
Co-author of the program of psychological help in house for elderly.
